Greeting from NHQ!

As in the past World Red Cross Red Crescent Day would be observed on 8th May primarily to remember our founder, Jean Henry Dunant. This day we celebrate the birthday of our founder and unity of the Red Cross & Red Crescent Movement.

The theme for 2022, World Red Cross Day is #BeHumankIND. This World Red Cross Day 2022, International Red Cross and Red Crescent Movement is putting kindness in the nucleus and encouraging people around the world to be humankind.

Opportunities to express acts of kindness are all around us, we only need to act. No matter how big or small, they make a huge difference in people's lives. Acts of kindness have the power to spark a ripple effect. Our acts should be replicable and worth emulating. So, this World Red Cross Day, we should celebrate acts of kindness and showing how, together, they have global impact. Let's show the world we can all #BeHumankIND!

All of you are requested to get involved by :

Identify stories of acts of kindness (maximum 2-3 lines) with pictures/videos and submit them via email to communication@indianredcross.org. The best ones will be showcased on various social media platforms.

The deadline for all submissions is 29th April 2022.
